

**NATIONAL DISASTER MANAGEMENT AGENCY (NaDMA)
MEDIA RELEASE**

**Meteorological Services and NaDMA Monitoring
Area of Low Pressure – Release #1**

St. George's, Grenada – Friday, 28 June 2024, 11:00 a.m.

The Meteorological Office at the Maurice Bishop International Airport informed the National Disaster Management Agency (NaDMA) that it is monitoring a low-pressure system located about 1500 miles east-southeast of the Windward Islands.

NaDMA will continue to monitor the situation and provide the public with updates as information becomes available.

The Agency encourages the population to continue preparedness activities into the 2024 Hurricane season which is forecast to be hyper-active.

The following are some preparedness actions that can be taken:

- Update your family disaster plan.
- Have a Disaster supplies kit (3-day supply of non-perishable food, water, medication, flashlights, etc.)
- Trim overhanging trees and branches.
- Clear guttering and drains.
- Know where the nearest Emergency Shelters are located.

The public is also encouraged to follow the advisories and forecasts issued by the Meteorological Office and NaDMA.

For additional information, contact Mrs. Ruth Jacob-Roberts, Public Information Officer at NaDMA 440-8390-4: cell 533-0766, or email: admin@nadma.gd and pro@nadma.gd.

NaDMA is the official source for all disaster-related information in Grenada.
